

ICONIC CUTTING SERIES

THE MOVEMENT & CREATIVITY OF LAYERS

WITH MICHAEL ALBOR

Join Michael Albor, Biolage Artistic Director, stylist and salon owner as he will share with you effortless haircuts for any age client. He will be showing a seamless haircut utilizing point cutting, deep point cutting, surface cutting, channel cutting, and back cutting so that all layers remain internal allowing your client to effortlessly style their own hair. Discover how to utilize these cutting techniques to seamlessly blend and manipulate client's hair into today's commercial hairstyles.

During the morning look & learn session, experience the fundamentals of how to create a seamlessly sliced haircut and how it can be used on any texture of hair or face shape. Choose to stay all day and participate in the afternoon hands-on where you will create your own perfectly blended haircut and see the techniques you learned come to life.
