

4D Foilayage

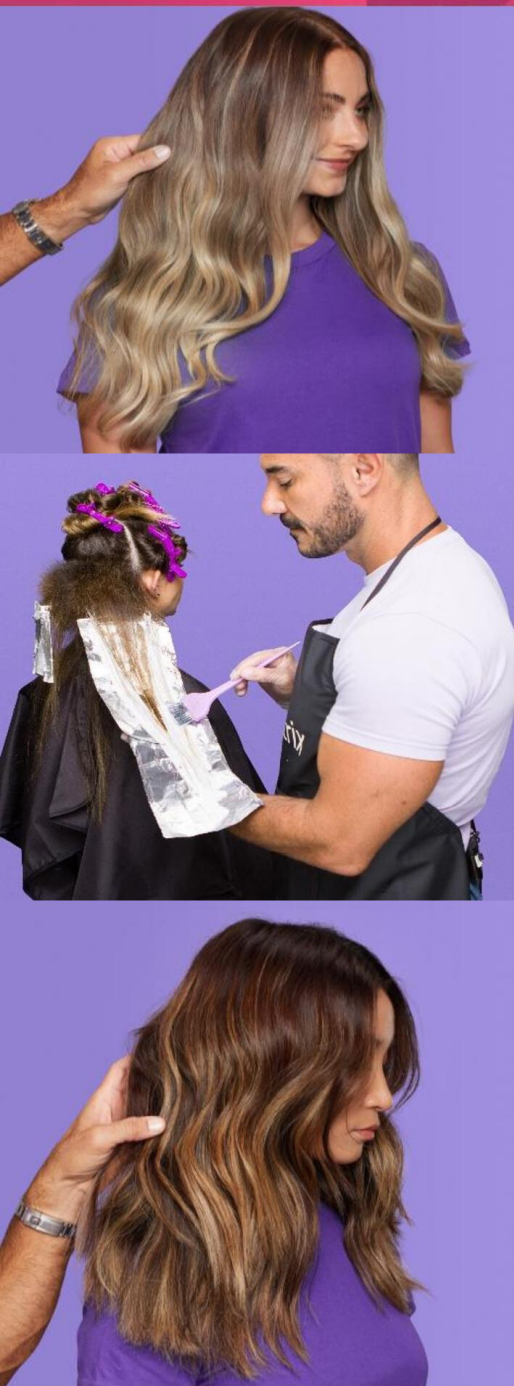

Look & Learn

Hello, Dimension! Bye-Bye, Damage!

Discover how to create dimensional, high contrast blondes using Matrix's latest 4D Foilayage technique. Learn how to maximize placement for lightening on all hair patterns, levels and hair types.

What You'll Learn:

- Foilayage placement and techniques to deliver maximum impact highlights, adding depth and dimension.
- Toning with Matrix SoColor Sync Alkaline + Acid.
- Blonding with confidence and ensure the integrity of the hair is maintained with backbar services and home care.

Monday, November 13th

Look & Learn: 9:00am – 12:00pm

Investment:
\$50

Tickets are non-refundable.
